

Below is a breakdown of the service fees involved with our most common types of service. The costs are flexible depending on the exact type of service you desire. In addition to the service fee, funeral expenses include merchandise (caskets, cremation containers, urns, outer containers) and disbursements (cremation fees, cemetery charges, clergy honorariums, newspaper notices, etc.) as applicable. We would be happy to sit down with you and provide a detailed quote on the services you desire.
